

**I HOPE I COULD BE
SICK**

BY WILLIAM NIU

I hope I could be sick.
I ain't got to go to school.
I just need to rest on the bed.
With someone that will care me.
Brings me food and toy.
Without even asking.

I hope I could be sick.
So I can get my work off my list.
Just relaxing peacefully on the bed I
should say.
Without no responsibility anymore.
Just lying there staring.
At my ceiling and so.

I hope I can be sick.
So I can enjoy all that more!
